## Love & Respect By Emerson and Sarah Eggerichs

[www.loveandrespect.com](http://www.loveandrespect.com)

DVD based study followed by organized discussion/activities. This class is pretty deep and is fairly long, but it is truly a life-changing seminar!

8-10 sessions. Video clips range from 20-45 minutes.

*Sarah and Emerson are convinced that a truth hidden in plain sight for 2000 years can make a difference in every marriage. This truth is found in Ephesians 5:33. Husbands must love their wives and wives must respect their husbands.*

*Emerson writes, "You may remember how the Beatles sang, 'All you need is love.' I absolutely disagree with that conclusion. Five out of ten marriages today are ending in divorce because love alone is not enough. Yes, love is vital, especially for the wife, but what we have missed is the husband's need for respect. This Love and Respect message is about how the wife can fulfill her need to be loved by giving her husband what he needs -- respect. And the husband can fulfill his need to be respected by giving his wife what she needs -- love. Does this always work? No. But if one is married to a person of good will, I would bet the farm that it would work!"*
