What is Marriage Boost?

Marriage Boost Inc. is a non-profit organization dedicated to giving married couples a "boost". We've seen lots of marriage retreats that are really heavy with lots of conferences. Those are great, but it's just not us. We saw a need for a light, fun retreat for married couples, something that would give marriages a "boost" without being too heavy. That's exactly what the Marriage Boost retreat does. It was also our desire to not limit the retreat to members of just one church. Our desire is to bring believers together. Over the years, couples from over 50 different churches and 7 different denominations have attended. The retreat is also a great opportunity to invite those who do not attend a church. For more information and to see the fun we had last year, visit us at

Our Speaker, Doug Schmidt

After years of ministry in college and seminary administration and education, Pastor Doug entered pastoral ministry and after serving at Ross Bible Church in Port Huron came to Woodside Bible Church in Troy, MI as Senior Pastor in 1991. Woodside Bible Church is a multi campus church of 7,000 in the northern suburbs of Detroit. Pastor Doug and his wife, Carolyn have been married since 1974 and have 3 children. We are sure you will enjoy Pastor Doug's humble spirit, down-to-earth messages and extensive knowledge of the Word.
